

**1600 Hamilton Place Community Association
Landscape Committee Meeting
November 20, 2024**

Committee Member

Sheba Solomon	Co-Chair
Maryalice Heim	Co-Chair

Others Present

Tim Fitzgerald	Medallion Landscaping
Brian Finnerty	Board Member

Call to Order: Co-Chair, Maryalice convened the meeting to review ongoing and needed work at 1:30 p.m.

Ongoing Work: Review of Maintenance Concerns and Recent New Work

- Medallion's focus is still on Fall leaf debris clean up, Fall trimming, landscape clean up and removal of weeds/suckers.

Irrigation: The frequency and duration of irrigation continues to be closely monitored and adjustments are made as needed for changes in the weather or to accommodate new plantings.

- Medallion addresses irrigation issues as they arise.
- Irrigation is currently turned off due to weather.
- The Board and committee appreciate resident diligence in curbing personal water usage as well as any heads-up in detecting water leaks or faulty sprinklers.

Review of New Projects and Recently Approved Work

- The Committee and Medallion have identified areas for 2025 landscape upgrades and Medallion will submit bids by the first of the year.
- Committee has received remaining Medallion's bids for 2024. These have been approved and work should be completed within a few weeks.

Long-Term Planning: The Board focus for landscape improvement is to conserve water and install size-appropriate landscaping to reduce maintenance (trimming) requirements.

- Security: The committee and Medallion continue to identify areas to improve visibility and lines of sight where lights are blocked by bushes. This can involve hard pruning or removing bushes and/or using lower plant height to increase visibility. The committee appreciates any suggestions for improving security affected by landscape.
- Long-term plan includes maintaining lines of sight and visibility, water conservation, capping sprinklers when possible, installing mulch or rock; and replacing turf with drought-tolerant, size-appropriate landscaping, using high efficiency sprinklers, as needed.

Trees

- Lewis Tree Service has started their annual trimming and should complete the work by the end of November or early December.

Adjournment

The meeting was adjourned at 2:30 p.m. Next Committee meeting will be Wednesday December 18, 2024, at 2:00 p.m.
