SPEEDING

Please take a moment to remind each licensed driver in your household to please drive slowly throughout the 1600 Hamilton Place community. With the nice weather just around the corner, more children will be playing outside and riding their bikes and other toys.

Fence Maintenance Guidelines

Please make sure you are in compliance with the following guidelines:

Security article

GUIDELINES FOR PROTECTION OF PATIO FENCES

In order to help prevent damage to the wood fences in the patio areas, the following guidelines should be followed:

1. Vines and shrubs shall not come into contact with any of the patio fences.
2. No trellises or other objects may be attached to the patio fences.
3. No planters or dirt may come into contact with the patio fences.
4. No items may be placed on top of the patio fence caps.
5. Irrigation should be installed in a manner that does not result in irrigation water hitting the building surfaces or patio fences.
6. There must be enough clearance between the buildings or fences and any shrubs or trees to allow access for any needed maintenance.

CUSTOMER SERVICE Here's How It Works

Community Management Services' office hours are from 8:00 AM - 5:00 PM, Monday through Friday. The Customer Service phone number is 408-559-1977.

At Community Management, our Customer Service Department directly answers your call. They are equipped to handle most emergencies, routine matters, and general questions.

If for any reason Customer Service is unable to help you, they will either transfer you to your Association Manager or obtain the necessary information for your Manager to return your call. Please assist them in servicing you by utilizing their talents and expertise when possible.

Questions about your assessment or statement??? Please give the name of your Association and ask for the accounts receivable department.

For after-hours calls, you may use the same phone number after-hours. Our voice mail system will allow you to leave a message for Customer Service, or the appropriate person, and will also give you an option to have your call routed to an after-hours emergency on-call manager for structural and safety emergencies. Please hold all other calls until the next business day so that the after hours line can be kept clear to handle emergencies.

Assessment Autopay Info

Eliminate the worries of late payments and late fees by arranging to have your monthly assessment fee automatically withdrawn from your checking account by the association's bank on the 10 of each month! Please contact Bill Hubbard for an application.

Annual Meeting of the Members

The annual meeting of the members will take place in the clubhouse at 6:30PM on Tuesday, March 8, 2016. Please plan on attending this annual event to catch up on association issues.

Annual Voting Packet

You should have received the secret ballot for the March annual Board election and voting. Please properly complete and return the ballot. If you did not receive a ballot, please contact Bill Hubbard.

Exterior Changes To Your Unit

Please remember that the governing documents for 1600 Hamilton REQUIRE that ALL changes to the exterior appearance of your unit MUST have PRIOR approval from the Board of Directors. This means that ANYTIME you want to change an exterior light fixture, a screen door, or even change the design of your entry or patio areas, you must first provide a written request for approval to the Board describing, in detail, the proposed changes. Failure to do so may result in the Board requiring that you change the modification, at your expense. The reason for this rule is to help protect the overall appearance of the complex and prevent an owner from installing something that might result in higher association maintenance expenses or lower real estate values.

Note: The CC&Rs stipulate that all doors and windows are the maintenance responsibility of the unit owners. Please make sure you have approval from the Architectural Committee prior to installing new windows or doors.

The Architectural Guidelines and the change application are available on the association website at:

www.1600HamiltonPlace.org

Insurance Renewal

The Board may have to borrow funds from the reserves to cover the cost of the master and earthquake policies that renew in March, 2016. Any funds borrowed from the reserves will be re-paid by the end of the year.

EBAY Community Committee Formed

On January 28th several concerned homeowners of 1600 Hamilton Place had an informal meeting at the club house to discuss eBay's impact on our neighborhood. This meeting was a follow up from the City Council meeting on October 20, 2015 at which eleven homeowners attended and voiced their concerns to the city about eBay's permit to build a new structure on its campus across the street from our complex. As you know, the permit was approved and construction has begun and should be completed by June of this year. The City also approved construction work on Saturdays to commence at 10:00am.

eBay told us that they want to be good neighbors but some of their actions have proven otherwise. This is why we formed a Committee "1600/eBay Good Neighbors Committee" to address our concerns via the web-based portal that eBay provided to us as a means of direct communication. We plan to meet once a quarter on the fourth Thursday at 7:00pm at the "Village's club house" - March 24, June 23, September 22 and December 22. We encourage any homeowners from the three complexes to attend. Our plan is to collectively submit our concerns and issues to eBay as a group rather than individually. We feel that this will be more effective. We would also like to post our communications and eBay responses in our newsletter to keep our homeowners informed. Homeowners can also email our committee at goodneighbors1600@outlook.com with their concerns.

Our main goal is to impress on eBay to be *good neighbors* and to have *respect* for our community.

For the benefit of all residents of Hamilton Place the Board wants to remind everyone that by City Ordinance 9.44 smoking is prohibited in the common areas of communities such as 1600 Hamilton Place. Because smoking in the common areas is prohibited by law and is potentially harmful to residents, the Board of Directors has determined that it is also prohibited by the CC&Rs of the Community and that violations may result in the imposition of fines by the Board as permitted by our rules and regulations. We urge residents and their guests to respect the health and well being of all of our neighbors and to not smoke where smoking is prohibited.

SKUNKS?

Have you noticed an increase in skunk sightings (or odors!) this winter? Because of the unusually dry weather, skunks (and other vermin) are seeking food, water, and shelter. It has been noted that some 1600 Hamilton residents continue to place pet food, water, or bird seed out in their patio areas, which provides the incentive for skunks and other vermin to take up residence in the area. PLEASE DO NOT leave any water or food outside and if you know someone who is doing this, please contact association manager Bill Hubbard so that the association can take the necessary disciplinary action so that the activity stops.

Landscape Committee Meetings

The next Landscape Committee meeting will take place on Wednesday, March 16, 2016, at 7:00PM, in the clubhouse. Any landscaping items must be requested, **in writing**, for the Committee's consideration. Please remember that the Board of Directors provides a budget to the Committee, which determines the confines within which the Committee must develop a plan for landscaping maintenance and upgrade projects. In other words, the Committee will accommodate as many requests as possible, as long as they fit into the budget constraints, as well as the short term and long term landscaping plans.

Gutter Cleaning

Four Seasons Roofing has completed the 2nd go-through for gutter and downspout cleaning. The cleaning carries a "no clog" warranty until May 1, 2016. If you see that your downspout has become CLOGGED **after** the initial cleaning, please contact the CMS customer service dept during normal business hours WITH THE EXACT LOCATION OF THE CLOG and they will arrange for Four Seasons Roofing to address the problem.
