Political Signs Prohibited in the Common Area

The association encourages all residents to participate in the voting process, however political signs are not permitted in the common areas.

New City of San Jose Services Phone APP

Here's how My San Jose works:

- Sign in with your account information.
- Submit a request for any of these five types of problems: Abandoned Vehicle, Graffiti, Illegal Dumping, Pothole, or Streetlight Outage. If you need to report a different type of problem, use the "General Request" service type.
- Your request will be routed to the appropriate City service team to review and resolve your request, and let you know the outcome.
- Search [Frequently Asked Questions \(FAQs\)](#) to find answers to your questions.
- Take a look at other requests filed by other users.

To submit a request, you have two choices:

- 1) My San Jose mobile app, available for [iOS](#) and [Android](#) smartphones
- 2) My San Jose website: <https://sanjose.custhelp.com>

Thanks for making San Jose a better place!

It's Time to Fall Back!

Don't forget that time "falls" back an hour on Sunday, November 4, 2018. This is also a good time to replace the batteries in your smoke and carbon-monoxide detectors.

Tree Trimming Schedule

Lewis Trees will be trimming trees throughout the complex beginning in late fall. If you would like to arrange for them to trim some of your personal trees inside your patio areas, at your cost, please contact them at 831-476-1200.

Gutter Cleaning

Four Seasons Roofing will be cleaning all of the gutters and downspouts in November, 2018 and again in January, 2019. Notices will be posted at the mailbox kiosks 3-5 days prior to the work being done. The cleaning carries a "no clog" warranty until May 1, 2018. If you see that your downspout has become CLOGGED **after** the initial cleaning, please contact the CMS customer service dept during normal business hours WITH THE EXACT LOCATION OF THE CLOG and they will arrange for Four Seasons Roofing to address the problem.

Reminders from the Board

No dumping! Residents are reminded that they are personally responsible for disposing of furniture and hazardous waste and will be fined by the association and/or the city if caught leaving items at the dumpster or the curb. Putting an item with a "FREE" sign on it is still considered dumping by the City of San Jose. Residents who have made other arrangements such as Salvation Army donation must notify the property manager and place a sign on the item, PRIOR to placing items in the common area for same day pick-up. The HOA (this means all of us) have had to pay \$50 per item to dispose of a sofa, a mattress, and a BBQ grill, all in the last month alone, not to mention the unsightly appearance to our neighborhood. If you see someone dumping items, please kindly ask them not to dump, and notify the property manager with a description/picture of the person and item. Sometimes, people from outside our complex leave items and can be discouraged by calling them out.

Pick up fallen patio fruit DAILY! The association is aggressively enforcing the rule to maintain patios as there appears to be a link between fallen fruit (and pet food left outside) and increased rodent activity. This is the time of year when apples and citrus fruits especially fall inside and outside patio fences. Residents (not the landscapers) are responsible for picking up any fallen fruit on a DAILY basis. Also, do not leave fruit (or PUMPKINS!) in the yard waste piles at the curb as the city will not pick up any fruit items.

Guests parked in guest space 3x/week treated as Residents—Please note the parking rules state that if a guest parks in a guest space 3 times within a week (not necessarily overnight), they will *forever after* be treated as a resident and subject to resident parking rules. Do not ignore parking violations posted on windshield thinking they don't apply to you. If in doubt, call the property manager for clarification to prevent towing.

Irrigation System Information

The landscaping irrigation system is designed to water during the late evenings and early morning hours. Occasionally, there will be a broken sprinkler head or irrigation line in the complex and a leak will occur. Normally, the irrigation timer clock will automatically turn the water off after 15-30 minutes and the problem can be reported to the CMS Customer Service Department during regular business hours. If, however, the water continues to run after 30 minutes, please contact CMS at 408-559-1977 for access to the emergency on-call manager.

Also, it is the association's desire to help owners minimize maintenance needs on their units by eliminating problems with any sprinklers that are spraying onto building surfaces. If you witness such a problem, please report it to management so that the landscaping company can be contacted to make the necessary corrections.

HAMILTON PLACE STREET SWEEPING SCHEDULE

The San Jose Department of Transportation is arranging an enhanced sweeping of Hamilton Place on the 3rd Thursday of each month. Please avoid parking on Hamilton Place during business hours on the 3rd Thursday of each month so that the sweepers will have access to the street surfaces to clear leaves and debris.
