

**1600 HAMILTON PLACE COMMUNITY ASSOCIATION**  
**NEWSLETTER**  
**MAY 2021**

**Next Board Meeting**

The next Board of Directors meeting will take place at 6:30PM on Tuesday, May 11, 2021. More information regarding whether the meeting will take place in the clubhouse or by ZOOM meeting platform will be included on the agenda posted at the mailbox kiosks the week prior to the meeting.

**Swim Season**

The pool areas and clubhouse will remain closed based on the current state and county COVID19 restrictions. It is hoped that the county will follow suit with the state in removing all COVID19 tiers that stipulate restrictions on public gatherings by June 15, 2021 so that the association can reopen the pools, spa, and clubhouse facilities. More information will be provided as it is made available by the county.

**Detached Garages Safety**

Unfortunately, there were a couple of detached garages recently broken into. It is recommended that you disable the manual release cable since it appears they are accessing the garages through the exterior lock that controls the cable.

**Construction Hours**

Please keep in mind that any remodeling or construction within the community must take place between the hours of 7AM-7PM Monday through Friday, 8AM-5PM on Saturday, with no construction activity permitted on Sundays.

**Recycling Reminder**

Please break down boxes prior to placing them inside the recycling dumpsters and bins.

**Huxley Court Painting Project**

The painting project on Huxley Ct is tentatively scheduled to begin in July. Notices will be posted on individual units 5 days prior to the start of the project. **PLEASE MAKE SURE ALL VEGETATION IS TRIMMED AWAY FROM THE BUILDINGS AND FENCES SO THAT THE PAINTERS WILL HAVE ACCESS TO THE SURFACES.**

**Irrigation System Information**

The landscaping irrigation system is designed to water during the late evenings and early morning hours. Occasionally, there will be a broken sprinkler head or irrigation line in the complex and a leak will occur. Normally, the irrigation timer clock will automatically turn the water off after 15-30 minutes and the problem can be reported to the CMS Customer Service Department during regular business hours. If, however, the water continues to run after 30 minutes, please contact CMS at 408-559-1977 for access to the emergency on-call manager.

Also, it is the association's desire to help owners minimize maintenance needs on their units by eliminating problems with any sprinklers that are spraying onto building surfaces. If you witness such a problem, please report it to management so that the landscaping company can be contacted to make the necessary corrections.

### **1600 Hamilton Place Website**

The most recently approved Board of Directors meeting minutes, as well as the most recent Landscape Committee meeting minutes are both available for review on the association's website at [www.1600hamiltonplace.org](http://www.1600hamiltonplace.org).

### **HAMILTON PLACE STREET SWEEPING SCHEDULE**

The San Jose Department of Transportation is arranging an enhanced sweeping of Hamilton Place on the 3<sup>rd</sup> Thursday of each month. Please avoid parking on Hamilton Place during business hours on the 3<sup>rd</sup> Thursday of each month so that the sweepers will have access to the street surfaces to clear leaves and debris.

### **MEDALLION LANDSCAPE MANAGEMENT SPRAY NOTICE – 2021**

One or more of the following chemicals may be applied on the days noted below:

#### **TUESDAY AND THURSDAY**
